Letter No. 82-37

LISTINGS:

1. PERSONS IN TITLE II DISREGARD STATUS
2. PERSONS ERRONEOUSLY SENT SSI/SSP BASED MEDI-CAL DISCONTINUANCE NOTICES

1. Persons in Title II Disregard Status

You were informed in All County Welfare Directors Letter No. 82-33 that the Department would send you a list of those persons in your county who were given automatic Title II Disregard status, and a July Medi-Cal card. This list is to be used to verify Title II Disregard status for persons requesting replacement cards, additional POE labels, etc.

2. Persons Erroneously Sent SSI/SSP Based Medi-Cal Discontinuance Notices

Certain processing errors caused production of erroneous Medi-Cal discontinuance notices for a portion of the SSI/SSP recipients for the July 1982 month of eligibility. These people were sent "Ramos" discontinuance notices, and, in certain cases, application forms. This situation was corrected and July Medi-Cal cards were produced and mailed to all affected eligible SSI/SSP recipients.

Use this listing to screen out Medi-Cal Only applications from these people. Also, inform them that their application is unnecessary, since they are still receiving SSI/SSP based Medi-Cal cards.

A list of those persons in your county who are in Title II Disregard status and a separate list of those persons erroneously sent discontinuance notices have been sent directly to your county's Medi-Cal Liaison.

If you have any questions, please contact your Medi-Cal Program Consultant.
